IMPORTANT

PROCEDURE IN THE EVENT OF LOSS OR DAMAGE FOR WHICH UNDERWRITERS MAY BE LIABLE

LIABILITY OF CARRIERS, BAILEES OR OTHER THIRD PARTIES

It is the duty of the Assured and their Agents, in all cases, to take such measures as may be reasonable for the purpose of averting or minimising a loss and to ensure that all rights against Carriers, Bailees or other third parties are properly preserved and exercised. In particular, the Assured or their Agents are required:-

1. To claim immediately on the Carriers, Port Authorities or other Bailees for any missing packages.
2. In no circumstances, except under written protest, to give clean receipts where goods are in doubtful condition.
3. When delivery is made by Container, to ensure that the Container and its seals are examined immediately by their responsible official.
   If the Container is delivered damaged or with seals broken or missing or with seals other than as stated on the shipping documents, to change the delivery receipt accordingly and retain all defective or irregular seals for subsequent identification.
4. To apply immediately for survey by Carriers' or other Bailees' Representatives if any loss or damage be apparent and claim on the Carriers or other Bailees for any actual loss or damage found at such survey.
5. To give notice in writing to the Carriers or other Bailees within 3 days of delivery if the loss or damage was not apparent at the time of taking delivery.

NOTE. The Consignees or their Agents are recommended to make themselves familiar with the Regulations of the Port Authorities at the port of discharge.

DOCUMENTATION OF CLAIMS

To enable claims to be dealt with promptly, the Assured or their Agents are advised to submit all available supporting documents without delay, including when applicable:-

1. Original policy of insurance.
2. Original or certified copy of shipping invoice, together with shipping specification and or weight note.
3. Original or certified copy of Bill of Lading and/or other contract of carriage.
4. Survey report or other documentary evidence to show the extent of the loss or damage.
5. Landing account and weight notes at port of discharge and final destination.
6. Correspondence exchanged with the Carriers and other Parties regarding their liability for the loss or damage.

In the event of loss or damage which may involve a claim under this insurance, no claim shall be paid unless immediate notice of such loss or damage has been given to and a Survey Report obtained from this Company's Office or Agents specified in this Certificate.

This insurance is subject to the goods insured being carried under deck, unless otherwise agreed.

Policy shall be issued upon request in exchange for this Certificate.

Section of the Clauses applied under this insurance is/are printed on the front or in the attached sheet (as the case may be). Other Clauses (including endorsements) are available from this Company upon request.

This Certificate represents and takes the place of the Policy and conveys all the rights of the original policy-holder (for the purpose of collecting any loss or claim) as fully as if the property was covered by a special policy direct to the holder of this Certificate.

This insurance is understood and agreed to be subject to English law and usage as to liability for and settlement of any and all claims.

In case of loss the same shall be payable to the order of the Assured on surrender of this Certificate.

Settlement under one of the Certificates issued of the same tenor and date shall render all others null and void.

This Certificate is not valid unless properly signed by an authorized representative or agent of the Company.
